PALM BEACH POWER AWARDED NEW ENGINE REPAIR RATING

WEST PALM BEACH, FL—Palm Beach Power, a marine service dealer for Detroit Diesel, recently was sanctioned as an authorized maintenance dealer for Detroit Diesel Mercedes Benz MTU183 marine engines.

Palm Beach Power President Charles W. Schloemer explains, “In an effort to address our marine clients engine concerns, the financial and training investment required for this designation strengthens our commitment to provide the highest level of technical expertise and service that our clients deserve and expect.” Schloemer adds, “Palm Beach Power is very proud to add the Mercedes Benz MTU product line to our service list.”

The Mercedes Benz MTU 183 marine engine is found in marine pleasure vessels, small ferryboats and police craft ranging in size from 45 to over 100 feet. Palm Beach Power is the second dealer in the United States to receive the MTU183 dealer authorization from Detroit Diesel.

Established in 1986 and headquartered in West Palm Beach, Florida, Palm Beach Power offers 24-hour Detroit Diesel and Volvo Penta engine repairs, dockside service and parts to the marine industry throughout the United States and the Caribbean. As an authorized dealer for Detroit Diesel and Volvo Penta, the company also provides warranty coverage and on-site warranty repairs.
